## Horticulture Show Rules

- 1) This show schedule has been prepared under the guidelines of the American Rose Society and will follow ARS rules and regulations as an accredited horticulture, arrangement and photography show.
- 2) Judging will be in accordance with the current *Guidelines for Judging Roses* and addenda published by the American Rose Society, unless in conflict with this schedule, in which case this schedule controls. Decisions of the judges are final.
- 3) This is an alphabetically arranged show except for classes calling for multiple varieties. Where alphabetized, each variety will constitute a separate sub-class and will be judged on its merits for the variety.
- 4) Except as noted in the schedule, competition is open to all rose growers regardless of residence. All entries must have been grown by the exhibitor in his or her own private, outdoor garden. Only one person or team from any one garden may enter a Class.
- 5) With the exception of Seedlings and Sports (Class 42), all varieties must be entered under the approved exhibition names of the American Rose Society, as listed in one of the following official ARS publications: *Modern Roses 12* or the *Modern Roses* database, the *Official List of Approved Exhibition Names for Judges & Exhibitors*, *The Handbook for Selecting Roses*, *The American Rose Annual*, or *Recent Registrations* on the ARS website. In cases where a variety is not listed in any of the above, a listing in the *Combined Rose List* is acceptable. In the event of discrepancy between the *Combined Rose List* and an ARS publication, the ARS publication will prevail. Classification of all roses shall be in accordance with ARS publications to the date of this show.
- 6) All entries must be accompanied by a securely folded ARS entry tag showing: section, class, variety name, and the exhibitor(s)' name, city and state. No address is necessary but will be allowed. Only the upper portion of the entry tag need be completed. Please use only pen and black or blue ink, stamps or labels.
- 7) Containers will be furnished by the Rose Society of Tucson, except for Classes 10, 11 and 48 (see page 28). For these classes, exhibitors must furnish their own containers.

- 8) Only rose foliage or Styrofoam wedging supports are permitted, unless noted in the schedule. An entry may be penalized if wedging material extends above the top of the vase according to its degree of distraction.
- 9) Entry tags will be furnished by the Rose Society of Tucson. American Rose Society entry tags must be used. Please print variety names as large and as clearly as possible for the benefit of both the judges and the viewing public.
- 10) All entries must be taken to the Placement Table to be placed in the show by the Placement Committee. Exceptions are for Arrangement and Challenge Class entries which are placed in the show by the exhibitor. Exhibitors entering challenge classes may place their own entries; otherwise, only authorized personnel will be permitted in the show area prior to the opening of the show to the public.
- 11) There shall be no communication of any results of this show to anyone, whether by electronic means or otherwise, until the judging is complete and the Chairman of Judges has declared the results final.
- 12) Current judging guidelines require all multi-stem entries be judged by Challenge Class guidelines with 20% of the score awarded for presentation. Once placed, multi-stem entries are not to be moved or touched. Should it be necessary, the Chairman of Judges will make or supervise a move of a multi-stem entry.
- 13) Only blue-ribbon winners will be eligible for certificates and trophies. Blue ribbon entries in Novice classes are eligible for standard or miniature Queen, King or Princess, as applicable.
- 14) All entries must be made between 6:00 a.m. and 9:30 a.m. on Saturday, April 18, 2026. No entries or awards may be removed before 4:00 p.m. The Rose Society of Tucson will not be responsible for entries or ribbons left after the show closes.
- 15) Once entries are closed at 9:30 a.m., please clean up the area in which you were working, returning Rose Society items to the location where you found them. All containers, pails, etc., brought to the setup area by exhibitors must be removed from Trinity Presbyterian Church by 9:50 a.m.

- 16) The show room floor will be closed from 9:30 a.m. to 12:00 p.m., except for Judges, Clerks, Show Chair and individuals designated by the Show Chair. All electronic devices will be banned from the show floor during the judging process.
- 17) The Rose Show Committee reserves the right to remove any wilted or unsightly blooms from the show.
- 18) The Rose Show Committee will exercise due caution to protect exhibits, but neither the Rose Society of Tucson nor Trinity Presbyterian Church will assume any liability for damage or loss of property or for injury to persons attending the Rose Show.
- 19) Colored stickers will be placed on entry cards after judging to signify first, second, third and honorable mention.
- 20) Disqualifications: The ARS Board of Directors adopted a new series of guidelines that eliminate most grounds for disqualification and includes the few remaining instances for disqualification. The details of these guidelines are available at this show at the Trophy Clerk's Table and must be adhered to by all judges. Entries in violation of ARS or show rules shall be disqualified.

# Special Class

## *...The Headless Horseman*

**Class 48** — This class features the stems of roses with beautiful and unique thorns and foliage but with NO BLOOMS. We are calling it The Headless Horseman in honor of Morticia Addams of the old television show *The Addams Family*.

Morticia was famous for collecting long stem roses in her garden and placing them in a beautiful urn. But then in an odd twist, she cut the blooms off and only had a display of stems in the urn for her home.

The purpose of this exhibit is to pay tribute to the amazing thorns and foliage that can be found in roses across the world.

There are a number of roses that have spectacular thorns, stems and foliage which will work well for such a display.

Two rose varieties that will work perfectly for such an exhibit include Rosa Sericea Pteracantha (red stems with large, red winged thorns), Rugosa roses (wrinkled foliage with thorns ranging from straight

outward facing to many tiny prickles all along the canes).

### **Exhibitor Instructions:**

Each entry must include five or more stems of any type of rose. One or more varieties, any combination of types. To be displayed in a vase provided by the exhibitor. Stems must be from the exhibitor's home, outdoor rose garden.

### **Judging Criteria:**

Since there will be no blooms, the following points will be given to entries:

Thorns - 25 points.

Foliage - 25 points.

Color - 25 points.

Wow Factor - 25 points.

### **Special Note:**

Judges at this show may also enter this special class as long as they don't judge it.
